

Date: 12th April 2018

To respective department,

Dear Sir / Madam,

I'm Lina Tharshana HR Executive from Enviro Air Cooler (M) Sdn Bhd currently searching for fresh graduates who are willing to work in our company. System Air is the leading supplier of air cooler products in Malaysia and our evaporative air cooler is a healthy way to keep the workplace cool and comfortable in our long hot demanding summers. As the best expert in Malaysia on air ventilation system supply, our company will always deliver the excellent customer service and support. Our client's satisfaction will always be our main concern. After 12 years of experience and more than 2,000 successful projects, the company are proudly registered the brand with the name "System Air". However, the philosophy of the company is yet to hold firmly, to be continuously improving for better production and growth as well. Therefore we are looking for a very potential and positive vibe student to enroll in our company as a Technician who can help in our company's development as well. Hope sir/madam could help us to recommend qualified fresh graduates to us. The details of the vacancy are as below.

ENVIRO AIR COOLER (M) SDN BHD

TECHNICIAN

We are looking for installation and Service technicians with or without experience in Cold Stores (Cold Rooms). We encourage **fresh graduates with Diploma/ Degree in electrical courses** to apply. Candidates without experience will be given **training** with excellent **remuneration**. Candidate must pose **Valid Class D driving license**. Good mandarin speaking skills will be an added advantage.
