Company Introduction

WONDER group established in 1970 in Taiwan with tyre service. After a decade, we started manufacturing automotive equipment in China as the first manufacturer. In 1989, we expanded the market to Malaysia and Philippines distributing automotive product to tyre shops, workshops, and service centers. The market share occupied 65% of Taiwan, Philippines, Malaysia, and China market in 1990s as well-known brand. Nowadays, our market has expanded to Japan, Australia, Myanmar, Thailand, Singapore, Vietnam, Fiji, Africa, and Brazil.

To extend our business field, we started distributing car accessories, like brake systems, safety bars, E-drive throttle controller, racing gauge, and so on.

We always dedicate to developing product, market, and partner for long-term business cooperation.

Core value: Innovation, quality of service, accountability, and confidence.

Vision: To develop long-term business partnership with various automotive product.

Mission: To provide the best product experience and after-sales service for customers.

Focus on the Market:

- Focus on demand of customers and franchise partners.
- Into the market and listen, observe and learn.
- Be curious and tensional on the competitive market.
- Possess a world view.

Work Smart:

- Work efficiency
- Thoughtful
- Be responsive to change
